MidOhio

Fiscal 2024 snapshot report

July 1, 2023 through June 30, 2024

Too many central Ohio families are housing cost-burdened and owning a home seems out of reach. Through your partnership—paired with Habitat for Humanity’s unique model—homeownership can become a reality! Your support helps the dream of homeownership come alive for local families, as well as for those who own homes in need of repair, promoting dignity, respect and hope.

the impact

The public and private sector, individuals, corporate and faith groups, came together to address the affordable housing crisis through volunteer and financial support.

In Fiscal Year 2024, your generous support reached 130 families in central Ohio—helping build 15 new homes, complete one home rehabilitation and facilitate 114 home repairs. 21 neighborhoods were reached and we celebrated our 1,000th central Ohio family served!

4,157 individuals invested over 56,720 hours of volunteer service. Additionally, 73 playhouses were built, blessing 194 children.

Because of you, the Habitat MidOhio ReStore network saved nearly 2,500 tons of material from local landfills and achieved \$3.7M in gross sales.

Be sure to check out our full report and financial statements on our website.

*“There is a lot of work and sweat and dedication involved in this process. I must admit, it hasn’t always been easy, but it was all worth the ride and I appreciate everybody’s time, dedication, and for supporting us. Thank you. Thank you. Thank you!”
Theresa,
FY24 Partner Family*
